Business: Kenyatta Brame, Cascade Engineering

Kenyatta Lumumba London Brame is Executive Vice President and Chief Administrative Officer for the Cascade Engineering - Family of Companies. Kenyatta is responsible for directing Cascade's cross-organizational services, which include legal/risk management, human resources, benefits, marketing, talent management, IT, corporate quality, ESS (environmental, safety and sustainability) and Lean/CES (Cascade Enterprise System). Earlier in his career, Brame was an attorney with Miller, Johnson, Snell & Cummiskey, PLC, a leading Grand Rapids, MI employment and labor law firm. He has also served as an adjunct professor at Western Michigan University and Thomas M. Cooley law school where he taught employment law. Kenyatta's extensive community affiliations include co-founding the Tipping Point Initiative, a non-profit focusing on reducing barriers for education and employment for inner-city youth and other disenfranchised people. He also serves on Michigan Governor, Rick Snyder's Talent Investment Board.

Business Breakout Session

This session will provide an overview of how intentional change transforms all lives for the better in the business sector. Mr. Brame will explore best practices for overcoming racial disparities, providing information on the advantages of diversity and inclusion in various business practices.
